Property/Liability Program

2020-21 Credit Incentive Program Criteria

Special District Risk Management Authority (SDRMA) is committed to establishing a strategic partnership with our members to provide maximum protection, help control losses and positively impact the overall cost of property/liability coverage through the Credit Incentive Program.

Credit incentives of up to 15 points can be earned based on an Agency's participation in meeting the following program guidelines. One CIP point is equal to a 1% discount on the Agency's Property/Liability Program for the Auto and General Liability net contributions invoice only. Participating members may choose among various options to complete during the CIP period (April 1 – March 31) to reach the maximum points allowable within each track.

The maximum total points a member can receive is 15 points (not including bonus points) and points earned before March 31, 2020 will be applied to the 2020-21 Program Year.
